The Region of Valencia lives side by side in perfect harmony with nature. The provinces of **Alicante** ^[1], **Valencia** ^[2] and **Castellón** ^[3] are home to diverse ecosystems, with unique flora and fauna in the Mediterranean. A landscape dotted with hills and mountains, forests, islands and wetlands, offering incredible contrasts. Over twenty protected spaces to enjoy nature in its different expressions, from the fascinating marine reserve in the **Columbretes Islands**, to the verdant peaks of the **Sierra Calderona**, and not forgetting the charming imprint left by the rice fields and fishermen in **La Albufera** ^[4] Natural Park in Valencia. Prepare for the adventure of rural tourism, try your hand at a number of thrilling activities and discover routes that will lead you to some surprising accommodation. Experience nature in its purest form.
